IMPORTANT

Before you fill in this application form please talk to ERMA New Zealand. We can help you scope and prepare your request.

We need all relevant information early on in the process. Quality information up front will speed up the process.

Any extra material that does not fit in the form should be clearly labelled and cross-referenced. If there is commercially sensitive information it should be collated in a separate document.

All applicants must sign the form at the end of Part A and enclose the correct application fee. Please check ERMA New Zealand's current pricing policy, we are unable to process applications that do not contain the correct fee.

All references to regulations in this form, unless otherwise noted, refer to the Hazardous Substances and New Organisms (New Organisms Forms and Information Requirements) Regulations 1998.

Copies of all our application forms will soon also be available on our website: www.ermanz.govt.nz, and also in electronic form (MS Word format).

If you have any suggestions for improvements to this form, please contact our operations staff at the address below.

You can get more information at any time by telephoning, writing to, or calling in at our Wellington office. One of our staff members will be able to help you.
